NEGRO ATTACKS WHITE GIRL.

Grabs Her and Then Slashes Her With a Knife.

(By Associated Press.)

GREENWOOD, S. C., Aug. 14.—One of the most diabolical attempts at criminal assault possible was made today upon Miss Jennie Brooks, 20 years old, daughter of J. P. Brooks, a prosperous merchant and farmer near this place, by a negro, Bob Davis.

Brooks had absented himself temporarily, leaving the young lady in charge of the store. The negro, after making purchases, grabbed up a meat knife and said:

"You are what I want."

Seeing an iron bar the young woman made an attempt to defend herself, whereupon the negro slashed her across the throat, making a gash four inches long and almost severed two of her fingers.

A posse of 1,000 men in pursuit of the negro and if caught he will probably be lynched.

Davis' brother was lynched twelve years ago for assaulting a white woman.

The Tiger has been declared out of all stakes at the Spa this meeting.—Washington Post.

The J. E. WARREN COMPANY, 2615 Washington Avenue, where is located the free Directory file of the HILL DIRECTORY COMPANY, have just received the following Directories: Philadelphia Blue Book, Mt. Vernon, Danville, Washington, Brooklyn, Asheville, Philadelphia Business, Baltimore, Morris County, N. J., Ottawa, Newark, Nashville, Cleveland, Chicago, Buffalo, Kansas City, Knoxville, Norfolk, Richmond, Staunton, Holyoke, Greenville, Goldsboro, Colorado Springs, Virginia State, Lynchburg, Salt Lake City, Camden, New Haven, Alexandria, Spartanburg, Durham, Cincinnati, Lynn, Greensboro, Cumberland County, Fitchburg, Detroit, Syracuse, Fayetteville, Memphis, Springfield, White Plains, Lowell, New London, Bristol, Morristown, Hagerstown, Toronto, Scranton, Philadelphia General, St. Louis, to add to the large number that they already have. The file should be of great service to the merchants and visitors of Newport News. The service, furnished by the Hill Directory Company free, should certainly receive the hearty appreciation of the citizens of Newport News by encouraging the City Directory in every way possible; for such a file as is in service at the Warren Company's is of untold value to this city, especially as it expects during next year to have such an enormous crowd of visitors. Bear in mind that any citizen has the right to go and use this file for reference.

POPE BRINGS CHURCH ISSUE TO A CLIMAX

(Continued From Page One.)

him greater agony than the eventualities menacing the church in France and therefore he hopes to find some other kind of associations not endangering divine rights.

"But as this hope fails us," he continues, "and the law remains as it is we declare it is not permissible to try this other kind of association so long as they do not establish in the most legal and most positive way that the divine constitution of the church, the immutable rights of the Roman Pontiff, and the bishops, and their authority over the temporal affairs of the church, particularly the sacred edifices, will be protected by such associations. We cannot wish otherwise without betraying our sacred charge and producing the ruin of the church in France."

Bishops Have Pope's Support.

The document urges the bishops to adopt all means within the law to organize their forces, assuring them of the papal co-operation and support.

The Pope counsels against seditions or violent action and says firmness will give better results than violence. United action, he says, can be learned from those who have imposed the stigma of this criminal law upon the nation.
